THE PARISH BULLETIN

Sunday 30th October 2011

31st of Ordinary Time (A)

“Dear friends, again and again the very notion of saints has been caricatured and distorted, as if to be holy meant to be more remote from the world, naïve and joyless. Often it is thought that a saint has to be someone with great ascetic and moral achievements, who might well be revered but could never be imitated in our own lives. How false and discouraging this opinion is! There is no saint (apart from the Blessed Virgin Mary) who has not also known sin, who has never fallen.

“Dear friends, Christ is not so much interested in how often in your lives you stumble and fall, as in how often you pick yourselves up again. He does not demand glittering achievements, but He wants His light to shine in you. He does not call you because you are good and perfect, but because He is good and He wants you to be His friends. Yes, you are the light of the world because Jesus is your light. You are Christians, not because you do special and extraordinary things, but because Christ is your life. You are holy because His grace is at work in you.”

- Pope Benedict XVI
